

How to Search for Ebooks and Books

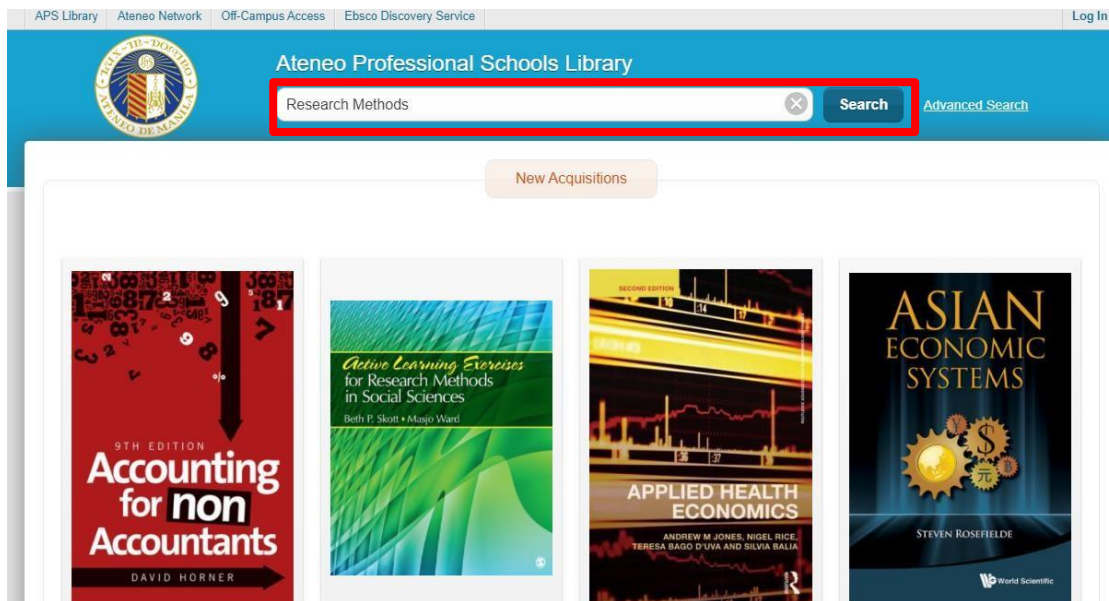

The APS Library subscribes to several business electronic book (ebook) references accessible through five different platforms namely; Ebscohost Ebooks, Gale Ebooks, Proquest Ebook Central, Taylor & Francis Ebooks and Vital Source Bookshelf.

How to search and find library resources in the library catalog:

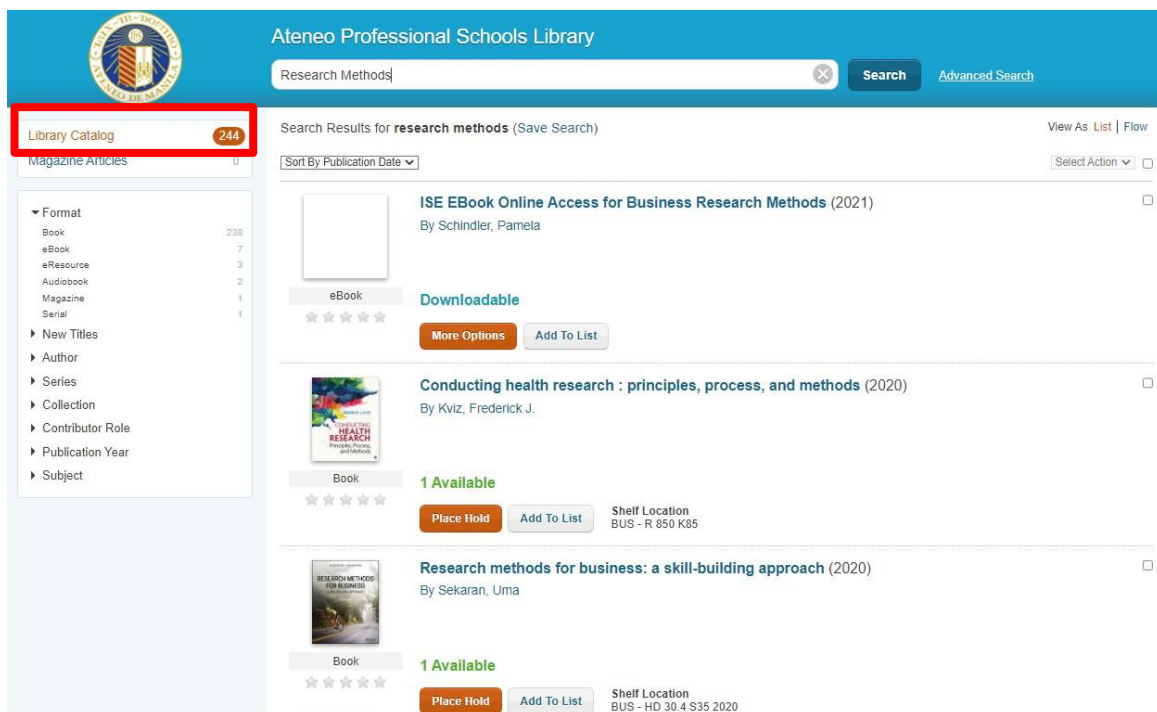

1. Visit the library's website: <https://rizalibrary-rockwell.ateneo.edu>.
2. Click [Library Catalog](#) link in the navigation bar.

3. Enter your search term/s, book title or author.

4. Search Results will show number of available titles in the collection.

Limit Results to all Books

5. Click **Book** or **Ebook** for preferred library material format.

Research methods for business: a skill-building approach
by Sekaran, Uma

Place Hold Add To List Browse Virtual Shelf

Summary
Research Methods for Business: A Skill-Building Approach is a concise and straightforward introduction for students to the world of business research. The skill-building approach provides students with practical perspectives on how research can be applied in real business situations.

Shelf Location at Library

Collection	Shelf Location	Status
